

How foreign students can
submit an AUTHORISED PDF
FORM to the University of
Lleida's Registry

1) To submit an AUTHORISED PDF FORM to the University of Lleida's Registry, you will need to:

1.1) Scan your national ID card or passport.

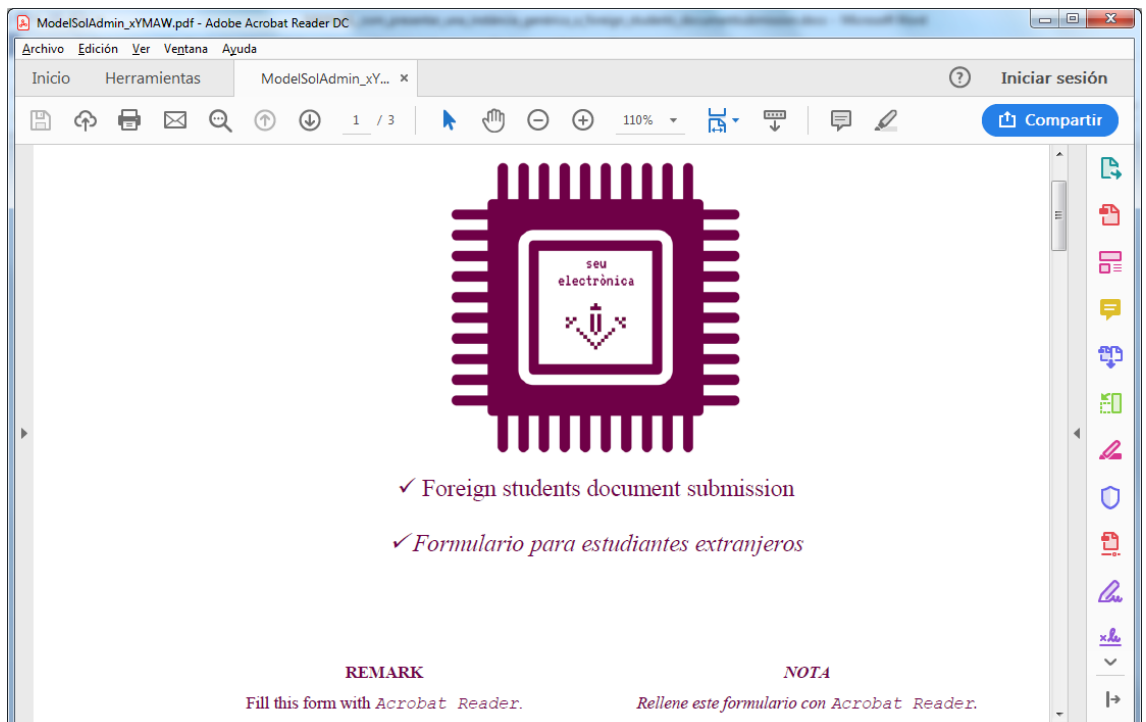

1.2) Get an AUTHORISED PDF FORM from the University of Lleida. The University's administrative units publish them on their websites, or they can send one to your personal e-mail address. If you are responding to a public call, it may include a link to download one.

Always use Acrobat Reader to fill in the UdL's AUTHORISED PDF FORM.

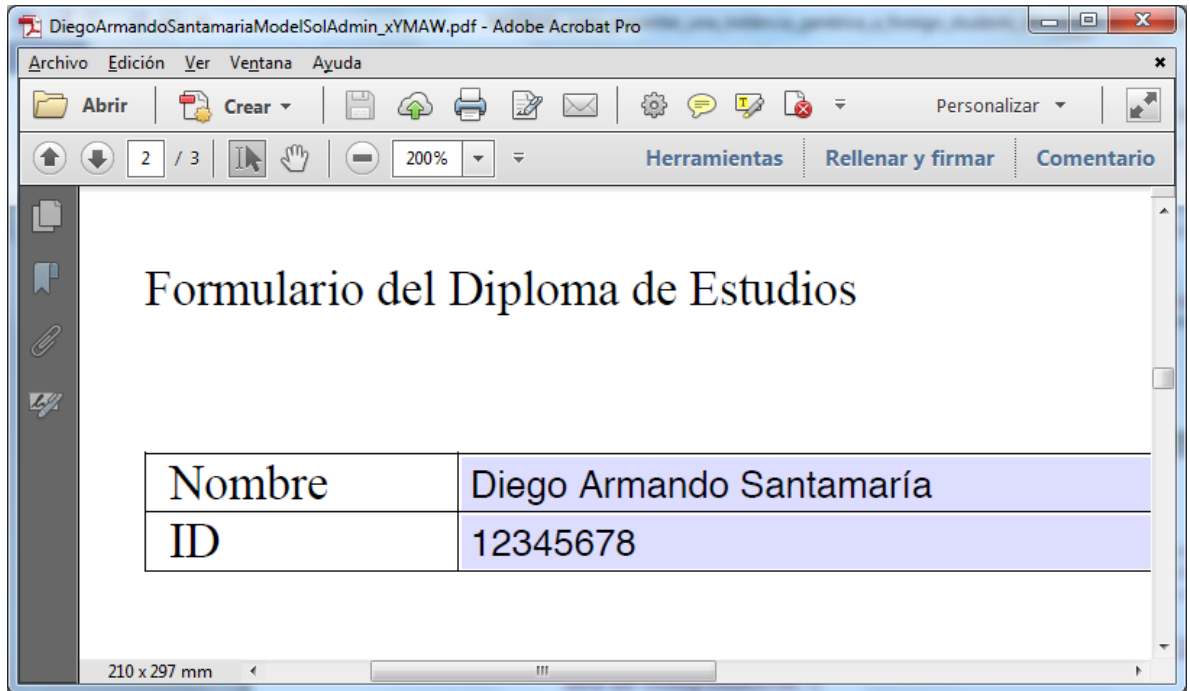

An AUTHORISED PDF FORM always has at least three pages.

- The first page of the AUTHORISED PDF FORM is the front cover, on which you will find the logo of the Online Office of the University of Lleida and some instructions.

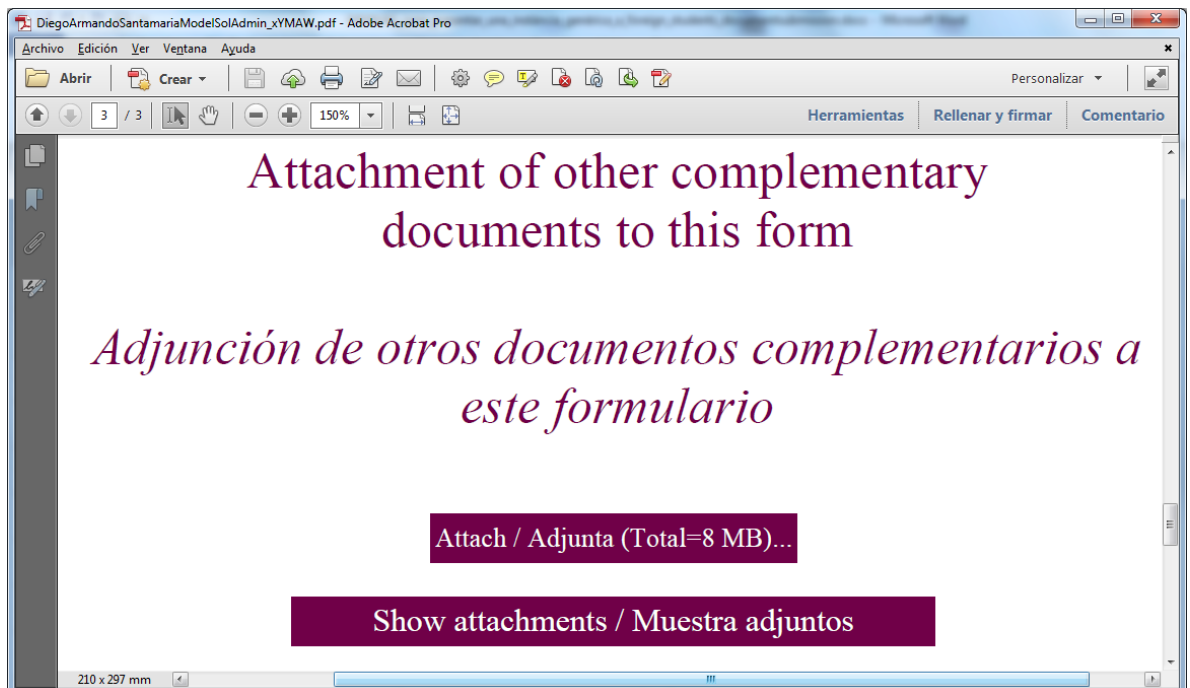

- The second page of the AUTHORISED PDF FORM contains fields that you will need to fill in.

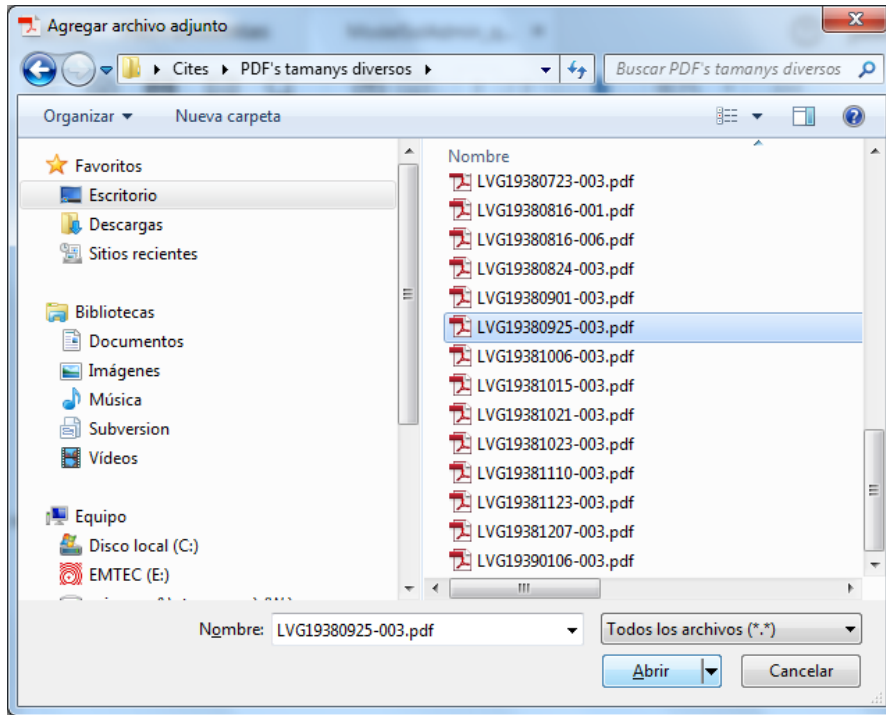

Bear in mind that a specific section of the form may actually be longer than one page.

- The last page of the AUTHORISED PDF FORM contains two buttons to enable you to attach complementary documents (up to 8 MB) and view the documents you have attached.

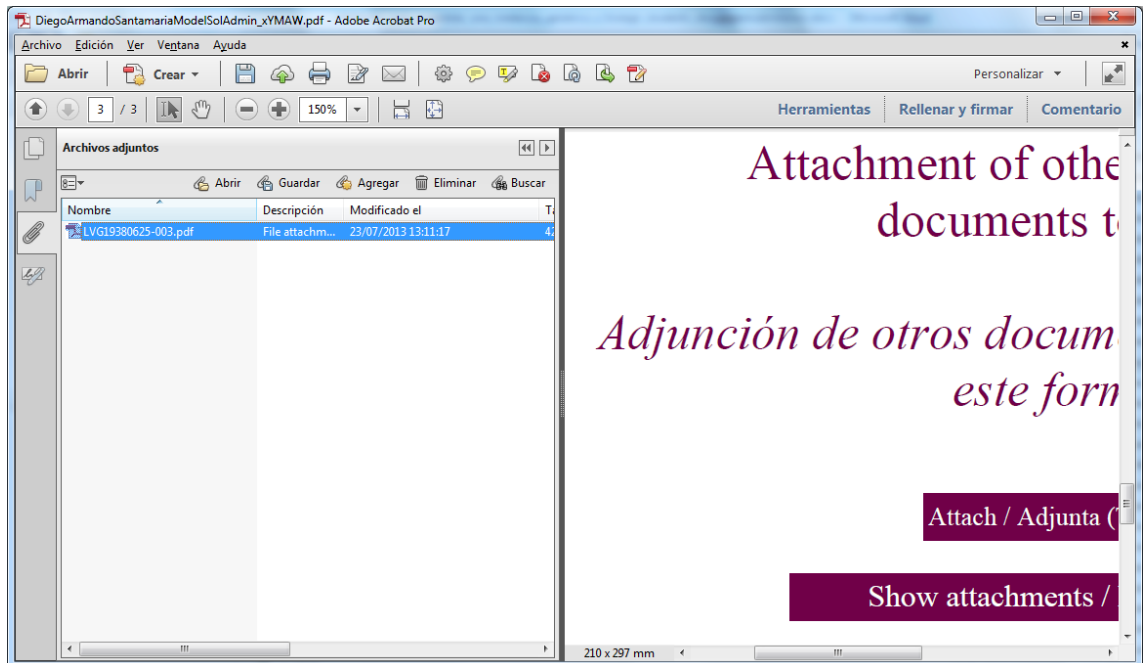

When you click the «Attach / Adjunta (Total = 8 MB)...» button, a window will open so that you can select the complementary document you want to attach to the AUTHORISED PDF FORM.

Repeat this action for every document you want to attach to it.

If you click the «Show attachments / Muestra adjuntos» button, a window will open displaying a list of the documents attached to the AUTHORISED PDF FORM.

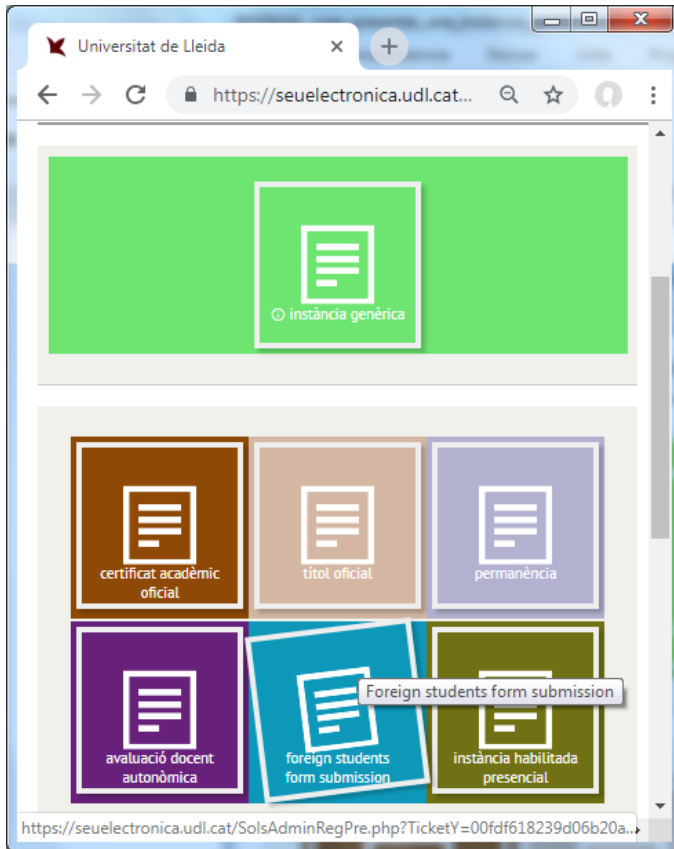

Click the «Show attachments / Muestra adjuntos» button again to close the attached documents window.

- After filling in the AUTHORISED PDF FORM, click the  button in Acrobat Reader to save the changes made.
